Account Opening Checklist and Guide

To serve you with maximum efficiency, please refer to the details of the checklist and requirements guide below to open an account.

Standard Chartered is required by its regulators and by applicable laws, regulations and/or international standards to identify and verify its clients. The documentation that Standard Chartered is required to obtain is contained within this checklist. Standard Chartered is unable to provide you with account services until receipt of these documents.

The documents that are required, such as those of the Financial Action Task Force, IOSCO, and the Wolfsberg Group apply to all financial institutions. These documentation requirements are designed to:

- make it more difficult for the financial services industry to be used for money laundering and terrorist financing;
- enable financial institutions to guard against fraud;
- ensure that there is no legal barrier, e.g. economic sanctions to providing products or services; and
- enable financial institutions to assist law enforcement by providing available information on customers or activities being investigated.

In general terms, the documentation is required to enable financial institutions to know their client, including its legal status, constitution, and the controlling individuals, e.g. ultimate beneficial owners, directors, and signatories.

The documentation requirements may differ between jurisdictions. Therefore, should you have an existing relationship with Standard Chartered in one country and wish to receive account services from Standard Chartered in another country, the laws or regulations of the second country may require you to provide additional documentation.

We really appreciate your time and effort in providing us with the required documents.

Standard Chartered Standard Chartered ATM Card Terms and Conditions (Hong Kong)

These terms and conditions apply to and regulate the provision of Standard Chartered ATM Cards by Standard Chartered Bank (Hong Kong) Limited.

1. Definitions

- (a) In these terms and conditions :

"Bank" means Standard Chartered Bank (Hong Kong) Limited, its successors and assigns.

"Bank Account" means, in relation to a Cardholder, any account maintained by the Bank in Hong Kong which the Cardholder is entitled to operate, in respect of which the Cardholder has requested to be able to give Transaction Instructions.

"Card" means a Standard Chartered ATM Card issued by the Bank at the request and in the name of the person named upon it for use in connection with debit card facilities provided by the Bank.

"Cardholder" means a person to whom a Card has been issued and whose name appears on it.

"Merchant" means any merchant authorised from time to time by agreement in writing with the Bank to accept a Card on presentation by a Cardholder as payment for goods or services (whether pursuant to the scheme known as the "MAESTRO" scheme, "UnionPay" scheme, or otherwise).

"PIN" means, in relation to a Cardholder, the personal identification number of that Cardholder required to gain access to systems via a terminal to give a Transaction Instruction.

"Standard Chartered ATM Card" means an automated teller machine card issued by the Bank.

"Transaction Instruction" means an instruction given by use of the Card.

- (b) In these terms and conditions, unless the context requires otherwise:
- (i) the word "person" includes any individual, corporation, firm, company, partnership, association or other organization;
 - (ii) the word "terminal" means any automated teller machine or point-of-sale terminal through which Transaction Instructions may be given;
 - (iii) words denoting one gender shall include all other genders, and
 - (iv) words denoting the singular shall include the plural and vice versa.

2. Use of Card and PIN

- (a) A Card is not transferable and may not be used other than by the Cardholder.
- (b) A Card remains the property of the Bank and upon cancellation must be surrendered on demand by the Bank.
- (c) Subject to condition 2(m), the Bank shall be entitled to give immediate effect to the following Transaction Instructions in Hong Kong:
- (i) to effect a debit or credit to any Bank Account;
 - (ii) to debit the value of any goods or services in relation to which any Card has been used;

 - (v) to send a cheque book relating to any Bank Account which is a current account to a Cardholder by post;
 - (vi) to effect transfers of funds to bank accounts in the names of third parties; and
 - (vii) such other Transaction Instructions given through use of the Card facilities from time to time made available by the Bank (whether in Hong Kong or elsewhere) to a Cardholder.
- (d) A Cardholder may not use a Card to obtain cash from a Merchant except where he has in respect of a purchase been overcharged or the Merchant in accordance with its usual and customary customer policies and practices for returned merchandise and adjustments gives the Cardholder a cash refund. In such cases, no adjustment will be made to any Bank Account of the Cardholder.
- (e) The Bank shall not be concerned with, or be liable to any Cardholder for any loss or damage directly or indirectly arising from:
- (i) any defect in or damage to any goods or services paid for by use of a Card, or any claim or complaint by a Cardholder against the supplier of such goods or services, or any other dispute between a Cardholder and any such supplier; for the avoidance of doubt, the Cardholder shall remain fully liable for any amount incurred in respect of the relevant goods or services; or
 - (ii) the refusal of any person or terminal to honour or accept a Card.

 - (ii) to purchase goods and services from Merchants equipped with point-of-sale terminals, identified by the initials or logo of "UnionPay" or "MAESTRO", up to a daily limit to be determined by the Bank from time to time. All such withdrawals and purchases made in a currency other than Hong Kong Dollars shall be debited to the Bank Account after conversion into Hong Kong Dollars at such rate of exchange as may be prescribed by the Bank from time to time. Where the terminal does not provide selection of Bank Account(s) for withdrawal, the Bank shall be entitled to debit the Cardholder's savings account and if that account has insufficient funds, the Cardholder's current account. If the Cardholder has more than one savings or current account, the Bank shall at its discretion be entitled to select any one of the savings or current accounts to be debited.

- (g) The Cardholder shall be under a duty to examine every Bank Account statement and notify the Bank at once of any errors or unauthorised debits. If the Cardholder does not so notify the Bank within the period stipulated in the statement for this purpose, the statement shall be accepted by the Cardholder as conclusive evidence of the particulars therein and the Cardholder agrees to be bound thereby and to waive all rights and remedies against the Bank, except for any unauthorised Transaction Instruction (i) arising from forgery or fraud by any third party and in relation to which the Bank has failed to exercise reasonable skill and care, or (ii) arising from forgery, fraud, default or negligence of the Bank's employee or agent, or default or negligence of the Bank.
- (h) A Cardholder must exercise all due care and attention to prevent the loss of and/or use of his Card or PIN by any third party. A Cardholder which is not an individual will be fully responsible for ensuring that its PIN is only known to a person or persons of due authority within such company, organization, partnership, society or association. Subject to this, a Cardholder must not disclose his PIN to anyone in any circumstances.
- (i)
 - (i) The Cardholder shall destroy the original copy of the PIN.
 - (ii) The Cardholder shall in no circumstances write down the PIN on the Card or on anything usually kept with or near the Card.
 - (iii) The PIN shall always be disguised if it is written down or recorded in any form.
- (j) If a Card is lost or stolen or if a PIN is disclosed to any unauthorized person, the Cardholder must as soon as reasonably practicable notify the Bank of such loss, theft or disclosure. Any oral notification must be confirmed to the Bank in writing immediately.
- (k) It is the responsibility of a Cardholder to notify any beneficiary of a transfer of funds in his or her favour. The Bank will not give advice to such beneficiary and accepts no liability for not doing so.
- (l) A Card may contain an expiry date after which such Card can no longer be used to effect any Transaction Instruction.
- (m)
 - (i) Subject to (ii) below, to the extent that any withdrawal causes a Bank Account to become overdrawn or further overdrawn, the Cardholder will be liable to repay the debit balance in accordance with the terms governing that Bank Account.
 - ii) This Agreement does not entitle the Cardholder to credit. Accordingly the Card does not entitle the Cardholder to overdraw any Bank Account. Overdraft facilities require separate arrangements.

3. Bank Accounts

- (a) Except to the extent that these terms and conditions require otherwise, they shall not affect any other terms and conditions, express or implied, governing any Bank Account.
- (b) No Bank Account may be overdrawn by the giving of a Transaction Instruction without the prior written agreement of the Bank.
- (c) Cash, cheques or other instruments deposited in any automated teller machine for credit to a Bank Account shall be subject to verification by the Bank and may not be credited to the designated Bank Account on the date of deposit. In the event of any discrepancies, the Bank's own determination of the amount(s) credited shall, in the absence of manifest error, be conclusive.
- (d) Cheques or other instruments deposited in an automated teller machine for credit to a Bank Account will be collected by the Bank and the proceeds will not

be available until the relevant funds have been received for value by the Bank.

4. Cancellation of Cards

- (a) The Cardholder may at any time cancel his Card by returning it to the Bank.
- (b) The Bank may at any time cancel a Card without assigning any reason and without incurring any liability to the Cardholder.

5. Replacement of Cards

If a Cardholder loses or damages his Card, or requires substitute or additional account numbers to be encoded or linked to his Card, the Bank may, at its discretion, issue a replacement Card with the numbers of such Bank Accounts encoded upon it or linked to it as the Cardholder may require.

6. Fees

In respect of each Cardholder the Bank shall be entitled to charge and debit to any Bank Account such fees as it may from time to time notify to Cardholders, including but without limitation, a service fee of an amount to be prescribed by the Bank from time to time for the use of the Card at any terminal outside Hong Kong.

7. Liability of Cardholders

- (a) Subject to condition 7(c), the Cardholder shall be fully liable in respect of each Transaction Instruction given by the use of his Card including but not limited to any Transaction Instruction given prior to receipt by the Bank of notification of loss, theft or disclosure pursuant to condition 2(j).
- (b) Transaction Instructions must be given in such a way that any confidential information which is displayed by a terminal is not disclosed to any third party. The Bank shall not be liable in any way for any disclosure to any third party arising out of a Transaction Instruction.
- (c) Provided that the Cardholder has not acted fraudulently or with gross negligence, the Cardholder shall not be liable for losses incurred:
 - (i) where a Transaction Instruction effected by the Bank was given by use of a Card before the Cardholder received the Card, or given through the use of a counterfeit card; or
 - (ii) directly as a result of a fault in any terminal which was not obvious or was not advised by a message or notice on display or otherwise drawn to the Cardholder's attention.

The Bank's liability for such losses shall in any event not exceed the amount incurred on the Bank Account as a result together with interest thereon.

- (d) Without prejudice to the generality of condition 7(a), the Cardholder shall be liable for all losses arising from unauthorised transaction Instructions if the Cardholder has acted fraudulently or with gross negligence or if the Cardholder is in default of the notification requirements of condition 2(j) or has failed to follow the safeguards or comply with the obligations described in condition 2(h) and 2(i) or other recommendations of the Bank from time to time regarding the safety and secrecy of the Card and the PIN.

- (e) If the Cardholder is a partnership, the obligations of the partners shall be joint and several and these terms and conditions shall continue to bind the partnership notwithstanding any change in the constitution, name or membership of the partnership by reason of death, bankruptcy, retirement, disability, or admission of new partners or the occurrence of any other event which may dissolve the partnership or otherwise affect its obligations under these terms and conditions.

8. Notice

Any notice from the Bank to any Cardholder and any Bank Account statement may be sent by prepaid post to the address of the Cardholder last known to the Bank and shall be deemed to have been received by the Cardholder two days after the date of posting if posted to an address in Hong Kong and seven days after the date of posting if posted to an address elsewhere.

9. Amendment

- (a) These terms and conditions may be amended by the Bank at any time and from time to time by notice and such amendment shall be deemed to be effective and binding on the Cardholder unless notice of termination of the Card together with the Card having been cut in two is received by the Bank before the effective date of such amendment.
- (b) Where the Cardholder requests termination of the Card pursuant to (a) above before the expiry of the year in

respect of which the annual fee has been paid, the annual fee shall be refunded to the Cardholder on a pro rata basis unless the Bank considers such refund to be of a minimal amount.

10. Expenses of Enforcement

The Cardholder shall be liable to indemnify the Bank in respect of, and reimburse the Bank on demand all costs and expenses (including without limitation legal costs and expenses on an indemnity basis) which are of reasonable amount and were reasonably incurred (whether directly or indirectly) by the Bank in demanding, collecting or attempting to collect, or suing to recover, any sum payable to the Bank by the Cardholder under these terms and conditions, or in seeking any remedy for any breach of these terms and conditions, or otherwise in enforcing or attempting to enforce these terms and conditions.

11. Law and Language

These terms and conditions shall be construed and the provision of Card facilities shall be regulated in accordance with the laws of the Hong Kong Special Administrative Region. If there is any difference between the English language text of these terms and conditions and the Chinese language text, for all purposes the English language text shall be conclusive.

Standard Chartered Terms and Conditions for Tele-electronic Banking Services (Hong Kong)

Please read these terms and conditions carefully.

These terms and conditions set out the rights and obligations of you, the customer, and us, the Bank, in connection with your use of the Service. All the terms and conditions of this agreement are legally binding, so please read them through carefully before you agree to be bound by them.

This agreement:

- replaces all earlier terms and conditions relating to the Service (if any) except where we advise you otherwise;
- is in addition to the terms and conditions that apply to the individual accounts or (as the case may be) business accounts you may be accessing through the Service. If there is a conflict between the terms and conditions of this agreement and any other relevant terms and conditions, the terms and conditions of this agreement will prevail; and
- relates to (a) business accounts in the name of your company; (b) individual accounts in your sole name and (c) joint accounts but only if these may be operated by a single signing authority (collectively, "eligible accounts"). Account holders who do not have an eligible account for these purposes may nonetheless make account enquiries or deposit funds using this service but only for certain internet banking services, or as notified to you in the future.

In the last section of this agreement, you will find definitions of some of the words and phrases used in these terms and conditions.

1. The accounts on which you may use the services

- 1.1 You agree that the use of the Service by you will constitute your agreement to and receipt of these terms and conditions as well as your acknowledgement of the inherent risks in conducting any transaction over the Internet.
- 1.2 By agreeing to be bound by the terms of this agreement, you agree that the Service will be available on all eligible accounts with us, whether open now or opened in the future, including any joint accounts you hold with others. The Service cannot be used on some types of accounts and we will advise you from time to time as to which accounts are eligible.
- 1.3 In order to use the Service, you must:
 - 1.3.1 be the holder of an eligible account or (as the case may be) a person authorised to operate an eligible account; and
 - 1.3.2 be registered by us to use the Service.

2. Following our User Guidance

- 2.1 User Guidance on the operation of the Service will be made available to you. User Guidance will cover (among other things) the times when the Service is available and how to access and operate the Service. You must follow all relevant User Guidance whenever you access and operate the Service.
- 2.2 We may inform you from time to time about changes to the way you should access or operate the Service. You must observe all such changes when accessing or operating the Service.

3. Your responsibilities for security

- 3.1 To ensure that you alone are able to access and give instructions on your accounts using the Service, you must adopt and at all times maintain the security procedures as described in this section 3.
- 3.2 To enable you to use the Service, we will give you an initial User Identification Code and Password. You may subsequently choose your own User Identification Code (if applicable) and/or Password(s) for the Service. If you are agreeing to the terms of this agreement jointly with others, we will give each of you a unique initial User Identification Code and Password(s) which the recipient may choose to change at any time.
- 3.3 When you use certain online services and transactions, we may also require you to obtain from us and use a One-time Password (OTP) for additional security verification. We will notify you of the services and transactions which require OTPs from time to time. When you attempt to effect any one of such transactions during a Session, you will be invited to apply for an OTP from us. Upon your application, we will transmit an OTP either: (a) by means of a SMS text message to the mobile telephone number that you have registered with us; or (b) by such other means as we may otherwise select or agree from time to time.

Safeguarding your Security Codes

- 3.4 Your User Identification Code, Password and any OTP we issue to you together comprise your Security Codes. In connection with your Security Codes:
 - 3.4.1 you should change your Password regularly and will do so if the Service requires you to do so. You should not choose a Password you have used before;
 - 3.4.2 whenever you choose a Password, you must take care not to choose a password or number that is likely to be guessed by anyone trying to access the Service pretending to be you. For example, you should avoid your own or a relative's birthday or any part of your telephone number;
 - 3.4.3 you must take all reasonable steps to ensure that you safeguard your Security Codes at all times, whenever possible. You must not disclose any details of your Password or OTP to anyone else, including to someone who is a joint account holder with you, or to a member of our staff, or to someone giving assistance on a technical helpdesk in connection with the Service.
 - 3.4.4 you must not record your Security Codes in a way that could make them recognisable by someone else as Security Codes;
 - 3.4.5 if you discover or suspect that your Password is known to someone else, you must immediately change the Password yourself through the Service. If this is not possible, you must notify us as soon as reasonably practicable by telephoning us on (852) 2886 8888 (or any other number we may let you have from time to time for this purpose). We will suspend use of the Service until a new Password has been set up.
 - 3.4.6 You must immediately notify us of any loss or theft of or change to the mobile telephone number (or associated mobile telephone handset) registered with us for the purposes of receiving OTP transmissions. You must also notify us immediately if you discover or suspect that an OTP has become known to someone else. If you are using the Service, you should immediately log out from that Session to deactivate the OTP already obtained for that Session.

Checking your statements

- 3.5 In connection with your account:
- 3.5.1 You acknowledge that any information pertaining to your accounts or transactions as reported through the Service may not always be completely up to date as there may be transactions and/or instructions which, without limiting the generality of the foregoing, have yet to be processed by us, require verification of the Bank, or are in progress. You agree that the information pertaining to the Service shall not for any purpose whatsoever be taken as conclusive of your account balance or transaction status. We do not warrant the accuracy of any information pertaining to your accounts or transactions as reported through the Service.
- 3.5.2 If you become aware of any transaction on any of your accounts that has not been validly authorised by you, you must notify us as soon as reasonably practicable by telephoning us on (852) 2886 8888 (or any other number we may let you have from time to time for this purpose). For this purpose, you must check bank Statements we send you within a reasonable time (as determined by reference to the product-specific terms and conditions or as set out in the Statement(s)) after you receive them and let us know as soon as reasonably practicable about any errors or unauthorised transactions.

Other security safeguards

- 3.6 You must not allow anyone else to operate the Service on your behalf.
- 3.7 You must not leave Your System unattended while you are on-line to the Service. This applies whether Your System is a device you have sourced independently of us or a device provided by us to access the Service in one of our branches. However, the public nature of our branches makes it particularly important that if you access the Service from a device in one of our branches you do not leave that device unattended while on-line and you ensure that you have gone off-line before leaving the branch.
- 3.8 You must not access the Service from any device connected to a local area network (or LAN), such as an office environment, without first making sure that no one else is able to observe or copy your access or obtain access to the Service pretending to be you.
- 3.9 You must comply with any other requirements designed to protect the security of your use of the Service which are set out in the User Guidance or notified by us to you in any other way.

4. Your authority to us to carry out instructions

- 4.1.1 You agree that the use of the Security Codes is adequate identification of you. We are entitled to act on instructions (using the Security Codes via the Service) without obtaining any further written or other confirmation from you, even if those instructions are not actually given or authorised by you (except in the circumstances described in section 4.2).
- 4.1.2 You agree that when you give to us an instruction via the Service (including but not limited to an instruction to transfer funds out of your account), we are deemed to have received or executed the instruction only when you have received our

confirmation that we have received or executed the instruction.

- Your liability for unauthorised instructions**
- 4.2 *Without prejudice to section 4.4, you will not be liable for misuse of your Password by someone to give unauthorised instructions purporting to come from you provided that you have:*
- 4.2.1 *ensured that all the security procedures described in sections 3 have been faithfully observed; and*
- 4.2.2 *notified us that your Password and/or OTP is or might be known to someone else in accordance with section 3.4.5 and/or section 3.4.6.*
- 4.3 *You are solely responsible for ensuring the accuracy, adequacy and completeness of all instructions given by you via the Service (including but not limited to instructions to transfer funds out of your account). We are not obliged to verify the accuracy, adequacy and completeness of your instructions. Without limiting the scope of anything in section 8, unless it is directly caused by negligence or misconduct on our part, we will not be liable for any loss or damage to you as a result of:*
- 4.3.1 *your instructions to transfer funds being inaccurate, inadequate or incomplete in any manner; or*
- 4.3.2 *any failure, refusal, delay or error by any third party through whom any such funds transfer is to be made to transfer the funds to or to credit the account of the intended payee.*
- 4.4 *You will be held liable for all losses due to unauthorised use if you have acted fraudulently or with gross negligence or if you are in default of any of the security obligations described in section 3 or the notification requirements of section 3.4.5, 3.4.6 or section 3.5.*
- 4.5 *You will not be responsible nor have any liability for any instruction that is not authorised by you but is given using your Security Codes if:*
- 4.5.1 *such instruction is given after you have notified us that you had discovered or suspected that your Password and/or OTP is known to someone else in accordance with section 3.4.5 and/or 3.4.6; or*
- 4.5.2 *your Password and/or OTP has become known to the person giving the unauthorised instruction as a result of our failure to comply with section 8.1 or any negligence or wilful default on our part.*

Acting on your instructions

- 4.6 You must not use the Service to create an unauthorised overdraft on any of your accounts and we are entitled to refuse to accept any instruction that would do so. If an unauthorised overdraft is created, we may take any action we think fit and charge any interest and charges to the account in question (in accordance with the terms and conditions of that account). You agree that:
- 4.6.1 it is your responsibility to make sure that no unauthorised overdrafts are created;
- And
- 4.6.2 you will not rely on the operation of the Service to prevent an unauthorised overdraft being created. In particular, you must remember that your cheques and any payment instructions you have given via the Service might take time to clear

and might not always be immediately reflected in the balance on your account.

4.7 When we receive a transaction instruction from you through the Service, we will be entitled to debit any payment plus any charges payable for the transaction from the account you have specified or another account you hold with us. Once you have given an instruction through the Service, you will not be able to reverse it. We will be under no obligation:

- 4.7.1 to reverse an instruction you have given; or
- 4.7.2 to accept an instruction that is conditional or reversible or which requires us to pay a third party sooner than we would be able to pay them following our normal banking practices. However, if you do ask us to reverse an instruction after you have given it, we may at our discretion try to do so to the extent that this is possible under the rules and practices of the banking system. You agree that you will be responsible for any costs we incur as a result.

4.8 We may, when we believe we are justified in doing so:

- 4.8.1 refuse to carry out an instruction given via the Service; or
- 4.8.2 require written confirmation from you of a particular instruction. If we come to believe that an instruction may not have been properly authorised by you, we will be entitled, after making reasonable efforts to check whether it was properly authorised, to take steps to reverse any action taken on the basis of that instruction. 4.9 When you give an instruction via the Service, we will act on that instruction in accordance with the cut-off times notified to you through the Service. From time to time we may notify you of changes to these cut-off times. Instructions given at any other time may not be acted on until the next Business day.

4.10 We shall not be obliged to execute your instructions and shall not be liable for any loss or damage to you as a result of us not effecting your instructions, if on the stipulated date of execution:

- 4.10.4 your designated account is closed, frozen or inaccessible for any reason.

4.11 You agree that you, and not we, will be responsible for any charges imposed, or any other action taken, by a receiving bank or intended receiving bank, where:

6. Operating times, changes and disruption

6.1 The Service will usually be available for use at the times given in the User Guidance or at other times notified to you. 6.2 In connection with the Service, we are entitled at any time to:

- 6.2.1 change the mode of operation; or
- 6.2.2 add to, remove or otherwise change, end or suspend any of the facilities available;

7. Service software and hardware

Software compatibility

- 7.1 You are solely responsible for the installation, maintenance and operation of Your System (or other device from which you access the Service), for the software (including Internet browser software) you use in accessing the Service and for the maintenance of an account with a third party Internet or online service provider to enable you to connect to the Internet. In addition to your obligations to comply with section 2 at all times, it is also your responsibility to ensure that the Service Software supplied to you is compatible with any computer or other device from which you access the Service and any software on that computer or other device. If it is not, you must compensate us for any loss we suffer as a result. We shall not be liable to you for any loss you suffer as a result of any incompatibility between the Service Software and any computer or other device from which you access the Service.

Protecting against Viruses

- 7.2 You must take all reasonably practicable measures to ensure that any computer or other device from which you access the Service is free of any computer virus or similar device or software including, without limitation, devices commonly known as software bombs, Trojan horses and worms (together "Viruses") and is adequately maintained in every way. The Service can be accessed through the Internet, a public system over which we have no control. You must therefore ensure that any computer or other device you use to access the Service is adequately protected against acquiring Viruses.

Using other people's devices

- 7.3 You must not access the Service using any computer or other device which you do not own unless you have first obtained the owner's permission to do so. If you break this rule, you must compensate us for any loss we suffer as a result.

Access through third party services

- 7.4 We cannot be responsible for any services through which you access the Service or by which you obtain an OTP or other Security Codes that are not controlled by us, or for any loss you may suffer as a result of you using such a service. You must comply with all the terms and conditions of such a service and pay all the charges connected with it.

Ownership rights in connection with the Service Software and other information.

- 7.5 Each time you access the Service, it may automatically provide Your System with the Service Software necessary to enable you to access and operate the Service. Alternatively, the Service Software may be supplied to you in some other way. By supplying you with the Service Software to access the Service, we are granting you a nonexclusive, non-transferable, temporary licence to use the Service Software for the purpose of accessing the Service, and for no other purpose. The Service Software and all other material and information supplied to you, including the User Guidance, contains valuable information that belongs to us or others. You must not:

- 7.5.1 use them except in connection with accessing the Service; or
 - 7.5.2 take copies, sell, assign, lease, sub-license or otherwise transfer them to any third party; or
 - 7.5.3 try to decompile, reverse engineer, input or compile any of the Service Software.
- 7.6 If you access the Service from a country outside Hong Kong, you are responsible for complying with the local laws of that country, including (but not limited to) obtaining any licence needed for the import / export of the Service Software to that country.

8. The extent of our liability for your loss or damage

- 8.1 We will take reasonably practicable steps to ensure that our systems in connection with the Service are installed with adequate security designs and to control and manage the risks in operating the systems, taking into account any law, rules, regulations, guidelines, circulars, codes of conduct and prevailing market practices which may be applicable to us from time to time.
- 8.2 We will not be liable for any loss or damage to you as a result of making the Service available to you, unless the loss or damage is directly caused by our negligence or our wilful default. Examples of circumstances in which we will NOT be liable to you for loss or damage resulting to you through the use of the Service include (but are not limited to):
- 8.2.1 acting on an instruction which has been validly authenticated as coming from you but which in fact was given by somebody else (but please see sections 4.2 to 4.5 which explain the exceptions to this rule); and
 - 8.2.2 any incompatibility between Your System and the Service; and
 - 8.2.3 any misuse of Your System by you or anyone else; and
 - 8.2.4 any access to information about your accounts which is obtained by a third party as a result of your using the

Service (except where that access is obtained as a result of our negligence or our wilful default); and

- 8.2.5 any delay or failure to send, transmit, receive, confirm or acknowledge any email, SMS messages, Security Codes or anything available under the Service, or any error or incompleteness of any information or data available under the Service.

- 8.3 You will indemnify us and keep us indemnified against any consequences, claims, proceedings, losses, damages or expenses (including all legal costs on an indemnity basis) whatsoever and howsoever caused (save and except any direct loss or damages caused by negligence or misconduct on the part of us) that may arise to be incurred by us in providing you the Service, whether or not arising from or in connection with and including but not limited to the following:

- 8.3.1 our acting on your instructions;
- 8.3.2 your improper use of the Service; or
- 8.3.3 any damage to Your System (or other computer hardware, devices, facilities or software) as a result of accessing or using the Service.

- 8.4 Please note that the Service has no facility for you to let us know that it is especially important to you that a transaction is carried out by a particular time. If you need to be completely certain that an instruction has reached us and that it will be carried out by a particular time, you must speak to our staff on (852) 2886 8888 or inform us in any other way we notify you about from time to time.

- 8.5 We will not be liable for any indirect, consequential or special loss or damage to you (whether foreseeable or not) as a result of your use of the Service.

- 10.3 We have the right to end or suspend your use of the Service at any time. We will usually give you at least 30 days' notice. However, we may give you a shorter period of notice or no notice if we consider it necessary, for example because of security concerns in connection with your use of

the Service or because we are concerned that you have used or may use the Service to create an unauthorised overdraft or otherwise to operate any of your accounts in breach of your arrangements with us.

- 10.4 If your use of the Service comes to an end for any reason, this will not affect any instructions you have already given via the Service. In connection with any joint account, if more than one person has registered to use the Service, the withdrawal of any of those registered users from the Service will not affect the use of the Service by the others.

11. About our charges

- 11.1 We are entitled:
- 11.1.1 to charge you fees and charges for the Service; and
- 11.1.2 to change those fees and charges from time to time by giving you at least 30 days' notice. If we give you such a notice, you will not have to pay any proposed increase so long as you cancel your use of the Service during the 30 days' notice period.
- 11.2 To avoid any doubt, please note that the references to fees and charges in section 11.1 only apply to our charges for providing the Service. They do not apply to any charges for particular banking or other services we might provide in response to your requests via the Service. We will be happy to provide you with details of our charges for particular banking or other services on request.

Once you have received notice of any change in the terms of this agreement, we will treat your subsequent use of the Service as your acceptance of the change (but please remember you have the right to end your use of the Service at any time).

13. The validity of the terms of this agreement

- 13.1 If any one or part of the terms of this agreement proves to be legally unsound or unenforceable in any way, this will not affect the validity of the remaining terms.
- 13.2 We believe the terms of this agreement are fair. If any one or part of them proves to be not legally valid because it is unfair or for any other reason, we are entitled to treat that term as changed in a way that makes it fair and valid.
- 13.3 If one of the terms of this agreement is unenforceable against one of the customers signing this agreement, this will not in any way affect the enforceability of that term against the other signatories.

- 13.4 If we relax any of the terms of this agreement once, this may be on a temporary basis or as a special case only. Such relaxation will not affect our right to enforce that term strictly at any other time.

14. Communications between us

- 14.1 Except for situations where this agreement refers to your giving us notice by telephone, you should give us any other formal notice in connection with the Service in writing (in hard copy form) to: G.P.O. If, in connection with other agreements with us, you have asked us not to send you any marketing material (or if you do so in the future), you agree that this restriction will not apply to these advertisements.

17. The law covering this agreement

This agreement is governed by the laws of the Hong Kong Special Administrative Region of the People's Republic of China ("Hong Kong"). Both parties agree to submit to the jurisdiction of the Hong Kong courts in connection with any dispute.
